**Subject:** Call at 11 with House staff

Good morning, I understand from my counterpart at OCIR that the invitation to a call with house t and I has been forwarded to you. OCIR has forwarded additional information, including a request that the Region limit staff participation to 3. It is my understanding that Jon Capacasa will represent water division. I would like to forward the name of who will represent HSCD. From the message below, I understand that HQ will respond to many of the authority questions. For your background I am attaching the summary of authorities prepared by orc, and a summary of responses to congressional questions sent thus far. Please consider all these documents internal staff draft documents.

In addition to the named participants, it might be helpful to have additional support nearby for assistance. We will be calling in from Jon Caps office at 10:45.

Please give me a call with any questions or comments. Thank you, Linda

Here is the additional detail on call - Randy Dietz from OSWER and Carolyn Levine from OCIR will represent HQ.

11:00 T&I Participants:

- Ryan Seiger/ Jennifer Esposito- staff for WRE Subcommittee minority staff
- Ann Adler- staff for Full Committee Ranking Member Rahall

- Janet Erickson-staff for Economic Development, Public Buildings and Emergency Management Subcommittee

Agenda:

1. Timeline of key events, EPA's roles/activities at site, coordination with other state & fed agencies
  - Can we use the timeline Linda forwarded last week as basis for discussion-not to be distributed to Hill?
2. What authorities do we have/when are they triggered? (see attached-- HQ will cover generally EPCRA, CERCLA, OPA, RCRA, TSCA, CWA 311—see attached document). R3 will need to cover SDWA, and CWA (other than Sec. 311) re: discharges.
